### **PURPOSE OF HOME-SCHOOL COMPACT**

Sundown Elementary is committed to providing the best education possible for each of our students. It is our goal to give every child the opportunity to reach his/her full potential in intellectual, emotional, and physical growth. Research tells us that children succeed best when the school and home are cooperative partners.

**This compact is a voluntary agreement and a promise of commitment to help your child succeed in learning.**

The Campus Advisory Committee was utilized in an advisory capacity as this compact was developed. This document is revised yearly.
