Morton Ranch Junior High School Mission & Vision

It is the mission of Morton Ranch Junior High to provide a safe environment and ensure high levels of learning for all students.

It is the vision of Morton Ranch Junior High to empower all students to be academically, emotionally, and socially equipped to graduate high school and achieve more than they believe is possible.

ALL means ALL!

What is a Parent - School Compact?

Written agreement between teachers and parents on how we will support our Title I goals at home and at school.

Create two-way communication and work as partners for improved academic achievement.

Jointly Developed

The parents, Title I committee, and teachers worked together and shared ideas to develop the parent-school compact.

The Compact committee determined the top commitments they can make in order to support MRJH's Title I Goals.
