

HJH BOARD GAME CLUB

Dear Parents/Guardians of _____,

Your student has expressed interest in joining our HJH Board Game Club. This campus club allows students to meet weekly and play board games. Social gaming has been shown to increase self esteem and lower social nervousness or fears. The club will be hosted in the HJH Library with Mrs. Gruen, the librarian, and will start Tuesday, 9/6.

The club will meet during ELT every Tuesday. Students who plan on attending that day's board game club will need to sign up for a pass before noon, and should not have any academic ELTs they need to attend (HB4545, retests, tutorials, etc). Passes are limited to 30 a day, and are given on a first-come, first-serve basis. While the library has several board games available, students are allowed to bring school appropriate games from home to play with friends. The library is not liable for any damage to personal games or missing pieces.

Attendance is not mandatory to remain in the club but the permission slip must be returned for the student to join. If a student repeatedly signs up for an e-hall pass but should be in tutorials, they may lose the opportunity to participate in future meetings. We must keep a roster of active members for school safety. If you have any questions, my contact information is listed below.

Yes, my student _____, has my permission to join HJH Board Game Club.
