Address: Street		City / Zip:
Parent/Guardian Name: Last, First	Parent/Guardian Phone:	
Parent/Guardian Email Address:		

Use this list of courses as a guide to help you select your classes in SchoolLinks. Each student must select one course from each of the required areas: English, Math, Science, Social Studies and PE. GT placement requires the student to have met specific Katy ISD screening criteria.

DIRECTIONS: CIRCLE one course from each of the required areas of English, Math, Science, Social Studies and PE. Mark required courses by circling the course number for the course.

IMPORTANT: List Fine Arts/Elective choices in order of preference. Students may not receive their first choice elective due to insufficient enrollment in a course, scheduling conflict, or over enrollment in course. Final placement into courses is contingent upon campus approval. Student and parent signatures confirm that all course guidelines have been reviewed and course selections have been made based on the student's individual strengths, interests and commitment.

IMPORTANT NOTE: Per SB 2124, incoming 6th grade students who perform in the top two quintiles (40%) on their 5th grade Reading, Math, or Science STAAR tests will be automatically placed in the corresponding KAP course. All adjustments will take place during the summer or early August, depending on the date STAAR results are released. If you **DO NOT agree** to automatic placement for your child, based on their 5th grade STAAR performance, **circle OPT-OUT** for each of the subject areas listed below:

Reading	OPT-OUT	Science	OPT-OUT
Math	OPT-OUT	Social Studies	OPT-OUT

REQUIRED COURSES		ELECTIVE COURSES	
ENGLISH AND READING		FINE ARTS	
J600	English Language Arts and Reading Block 6	<i>One year of junior high Fine Arts is required for all students.</i>

6th Grade Course Planning Sheet
Adams Junior High
2025-2026

Dear 5th Grade Parent/Guardian,

Course selection for the upcoming 2025-2026 school year has begun.

Students have received information for all required and elective courses that are available to them for the next school year. Beginning February 3rd, students are expected to make informed choices about courses that will best meet his or her educational needs.

There are different formats for the core courses from which to choose:

- **Academic** - on grade level and designed to prepare students for high school and college
- **KAP (Katy Advanced Placement)** - prepare students for Advanced Placement courses (college level instruction) while in high school
- **KAP/G/T (Gifted and Talented)** - placement requires the student to have met specific KISD screening criteria and have been accepted into the G/T program

Katy ISD has an open enrollment policy for advanced academics. Early enrollment in these courses contributes to student achievement in later years. KAP courses are designed to challenge students beyond grade-level academic courses and prepare them for success in future advanced level coursework. Students may require encouragement and support from both family and campus to be successful in advanced academics. Please review your child's report card and test scores in making course level decisions. Please note that students often enroll in a combination of course formats. Consider each course separately when deciding to select Academic or KAP.

On the 6th Grade Course Planning Sheet, your child will request the following courses: English/Language Arts Block, Math, Social Studies, Science, P.E., and list your top four elective choices in order of preference. Students identified as gifted may opt for a class designated as GT.

Thank you for your careful consideration of courses for your child.

After completing the worksheet, please scan the QR code below, in order to follow the next steps on how to enter courses in the Course Planner in Schoolinks.
