Jordan High Collaborative PE

Q&A

What is collaborative PE? Collaborative PE will replace your regular PE class. You will be a peer helper and role model for students that are enrolled in our adapted PE class.

Do I need any prior knowledge concerning students with special needs? No. All you need is a strong work ethic and a willingness to learn.

What requirements do I need to meet to be enrolled? Being enrolled in this class will be a privilege. You will need to fill out an application and then only students who are highly self-disciplined will be put in the class by Coach Canales. **Recommendations are NOT based on athleticism.**

What grade do I have to be going into to participate?
The class is open to ALL incoming Jordan High Students.

Will this class count towards a PE credit? Yes!

If interested, please fill out an application and turn it into Coach Canales by Friday, February 10th.
