DIRECTIONS: CHOOSE one course from each of the required areas of English, Math, Science, Social Studies and PE. Mark required courses by CIRCLING the course number for the course. **IMPORTANT: List Fine Arts/Elective choices in order of preference.** Students may not receive their first choice elective due to insufficient enrollment in a course, scheduling conflict, or over enrollment in course. Student and parent signatures confirm that all course guidelines have been reviewed and course selections have been made based on the student's individual strengths, interests and commitment.

IMPORTANT: Per SB 2124, incoming 6th grade students who perform in the top two quintiles (40%) on their 5th grade Reading, Math, or Science STAAR tests will be automatically placed in the corresponding KAP course. All adjustments will take place during the summer or early August, depending on the date STAAR results are released. If you **DO NOT** agree to automatic placement for your child, based on their 5th grade STAAR performance, please circle below OPT-OUT for each of the subject areas listed below:
