

# Financial Math

The "Life Math" Course

**\*\*Now offered via KVS fall and spring semesters\*\***

*The financial literacy course we all needed when we were in school... Develops a good base knowledge of "life math" and motivate students to invest early and often to allow the power of compound interest growth to work for them.*

## What the course is...

- Real world financial vocabulary with Algebra I level math

## ...and is not.

- A Senior Blow-Off Class!!!

## What it "counts" for...

- 4th math (if taught by a math certified teacher)
- An NCAA accepted elective course

## ... and doesn't

- Not STEM, Not an NCAA math course
