* If you choose to only select your 6th grade courses, you will see the red error icons. Take some time and enter your 7th and 8th grade courses, this will ensure you receive the green icons.

Should you choose to submit your course planner with errors, you will be prompted to type a message in the box to share why you have errors.
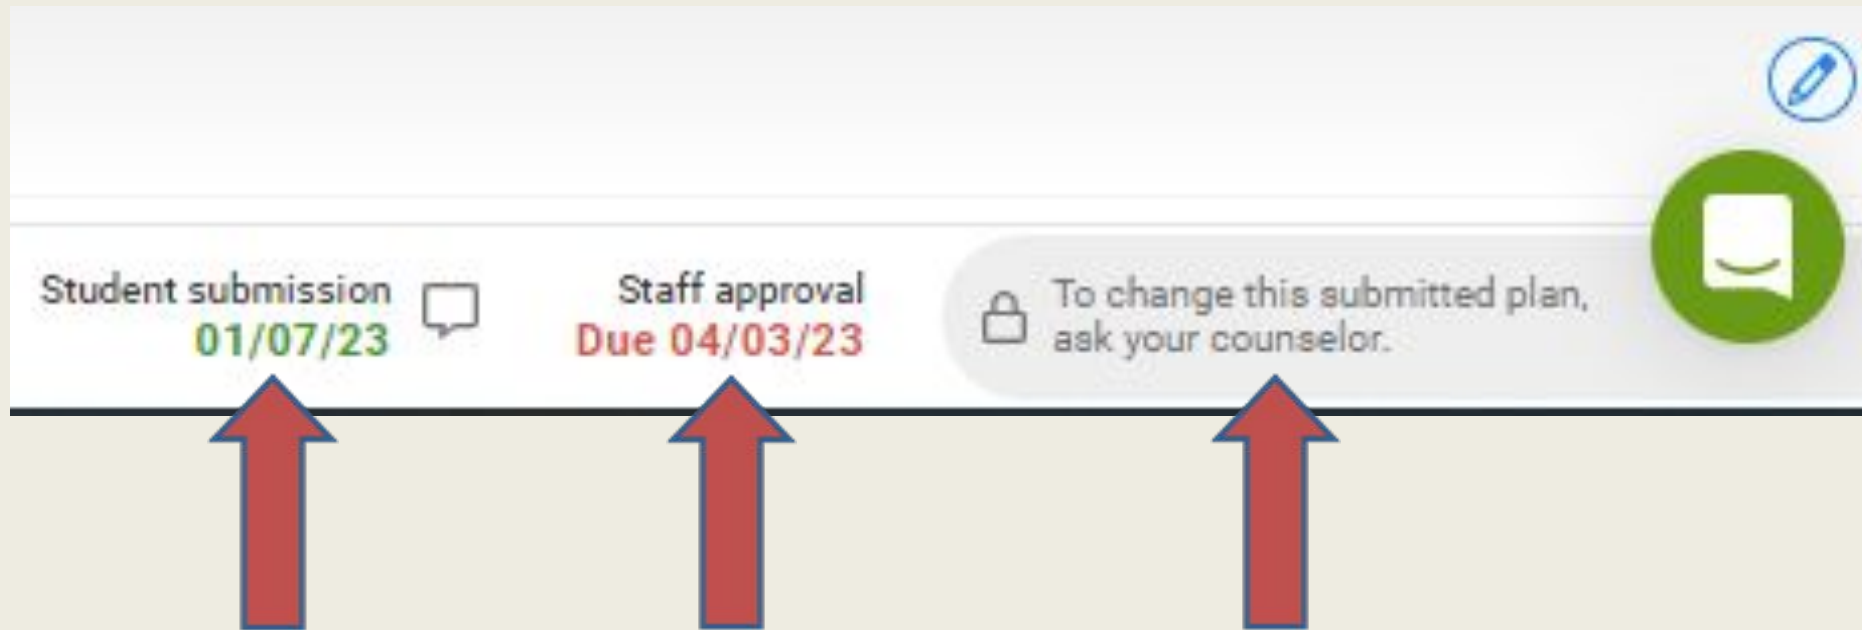

At the bottom right of your screen, you will notice that it displays important information.

Date of Submission – Date you submitted your plan to your Counselor
(The student's date of submission does not positively or negatively impact their ability to receive their #1 elective choice, therefore; take your time and think through your selections carefully.)

Staff approval – Deadline for your Counselor to approve your courses

The Lock Icon 🔒 – Indicates that no more changes can occur from the student account. To make any alterations, you will need to meet with the Counselor.

Once you have submitted your course plan, remember to log off.

Select the door icon at the top right of the screen to exit and log off.
