ADDITIONAL INFORMATION

Reservations

Groups, organizations and businesses considering rental of one or more campus facilities must submit a signed *Natatorium Reservation Form* (Exhibit M). **Katy ISD faculty and/or staff may not represent an external client in order to circumvent the Facility Rental and Related Fees.**

All requests for facility rental by non-Katy ISD groups may be submitted beginning August 1 of each year for reservations beginning on or after September 1. All reservations must be received at least 30 days in advance of the first rental date included in the reservation request.

District facilities, when made available for use, will be based upon classification and priority of groups as specified in these guidelines. The District shall have first priority of facility use and may cancel any agreement of any facility prior to the event if the District determines that it must use the facility for a function directly related to the operation of the District. The District may also cancel an event with less than 24-hour notice under such emergency circumstances that would preclude the safe occupancy and use of the leased facility. The District also reserves the right to adjust or restrict the hours of use by any group or organization in order to accommodate the greatest number of requests.

The use of the facility requested will be restricted to individuals associated with the organization/event in order to maintain security. Subleasing is prohibited.

Insurance

Groups or organizations shall maintain, at their sole cost and expense, comprehensive general public liability insurance from an approved company authorized to do business in the State of Texas in which the group or organization is named as an insured and Katy ISD is named as an additional insured with limits of not less than one million dollars (\$1,000,000) for the period of time set forth in the reservation request. The insurance policy must reflect that it is primary and not secondary or contributory with any insurance maintained by the District. The insurance policy may not be canceled prior to the conclusion of the term of this reservation without ten (10) days advance written notice to the District. The policy must also include coverage for bodily injury, including death, property damages, deprivation of civil rights or civil liberties, defamation of character, libel, slander, and other similar causes of action; the group or organization waives any right of subrogation against the District in connection with any insurance proceeds received by or due to the District. Groups or organizations shall furnish, not less than two (2) weeks in advance of the date for the facility reservation, a certificate showing such insurance to be in effect. Groups or organizations should understand and agree that if it fails to provide timely evidence of such insurance sufficient to provide primary insurance coverage to the District for all risks and limits described herein, the District will prohibit the use of the facility and any deposit will be forfeited without waiver of the District's rights to recover any other damages for such breach.

Deposit and Cancellation

In order to reserve a facility, groups/organizations in Classifications E and F that rent campus facilities on a long-term basis [six (6) months or more out of the year] are required to pay a security deposit equal to one month's estimated fees for rental and employee services upon confirmation of facility availability.

Groups/organizations and businesses in Classifications C, D, E, and F renting campus facilities must provide a minimum of 72-hour advance written notice of a cancellation. Failure to provide adequate cancellation notice may result in the group/organization or business being billed for the appropriate minimum hours for scheduled personnel services.

Payment of Fees for Rental and Employee Services

Ten (10) business days prior to an event, the group/organization or business will be responsible for paying the estimated fees associated with the facility rental and cost of the services as established in this exhibit. Possible charges include, but are not limited to, custodial, food service, District event supervisor, technology, parking, traffic control, security, and maintenance employee services. In addition, other services, such as equipment rental fees will also be charged to the group/organization or business and be payable ten (10) business days prior to the event. The prepaid estimate of charges (and deposit, if applicable) will be applied toward the final charges for the event.

Immediately following the event, the Aquatics Coordinator will issue a final invoice for the balance owed. Payment will be due immediately upon receipt. The balance owed must be paid in full prior to the next event in a series taking place. Failure to make payment will result in denial of future use. In the event that the actual charges are less than the estimate (and deposit, if applicable), the group/organization or business will be reimbursed the difference no later than 30 days following the use of the facility. Premium rates will be charged for employee service fees at all facilities on designated holidays as specified in this exhibit.
