

7th and 8th Grade Boys Cross Country 2025

2023 – 7th Grade District Champions 8th Grade 2nd Runner-up

2024 – 7th Grade District Champions 8th Grade 1st Runner-up

Parents and runners, welcome to 2025 boys 7th and 8th grade Cross Country. Our season will begin the first week of school and will consist of four regular meets and a final district meet. We understand that CC will be going on the same time as football. The coaches, as well as the district, will ensure that athletes can participate in both sports. There will be flexibility when it comes to CC practices if it conflicts with football.

Also, CC will be a “No Cut” sport, which means that all athletes that decide to come out, will be on the team. Our goal for this program is to give the athletes a positive experience as well as helping them get to that next level as a runner.

We will use the SportyYou app as our communication platform to send out important information starting now and throughout the season. Please make sure that both the athlete and at least one parent is signed up on the app.

SportsYou access code: DCR2GPHE

****There will be a short CC mini camp the first week in August. We will post the dates and times on SportsYou.****

For those of you doing the SAC/FB skills camp, you can choose your days or alternate.

There is no charge for the camp, it is not mandatory but highly encouraged. And you must have the new physical and all rank one forms (dated after 5/1/25) completed in order to participate.

For questions, please contact Coach Radke scottwradke@katyisd.org
