Dear parents & guardians,

There's an incredible educational travel opportunity available for your student. From big adventures to small moments along the way, travel expands your student's knowledge of the world around them and helps them discover more about themselves. Come to the information session to meet with me and learn more about this tour, including:

- **What we'll see and do**
- **Travel logistics**
- **Earning high school or college credit**
- **Affordable payment options**
- **How to enroll on this trip—before it fills up**

I look forward to seeing you there!
