

Lunch Visitors Expectations

- One lunch visitor per student
- The lunch visitor must be a parent/guardian/grandparent
- The lunch visitor must fill out the pre raptor google form the day BEFORE they plan on coming to lunch.
- All visitors must check in at the front office and show a photo ID
- No strollers will be allowed past the front office

We love when parents come to visit their students during lunch, however, due to space constraints, we offer these visits on a first-come, first-serve basis. When parent tables are full, parents are asked to greet their students, hand off the lunch, and exit the cafeteria.

Please fill out the Pre-Raptor Google Form the day before you plan on coming to lunch.
