DIANE WINBORN ELEMENTARY School & Parent Compact

Winborn Elementary serves pre-kindergarten through fifth grade students with a projected enrollment of over 700 students. Our staff of approximately 110 highly qualified teachers, paraprofessionals and other support personnel work diligently each and every day to provide the best learning experiences to all students.

We value and believe in...

- Putting kids first
- Having a growth mindset and positive attitude
- Treating others with kindness and compassion.

PURPOSE OF THE HOME-SCHOOL COMPACT

Winborn Elementary is committed to providing the best possible education for all students. Every child deserves the opportunity to reach full potential in intellectual, emotional and physical growth. Research tells us that children succeed best when the school and home partner together for student success.

The compact is a voluntary agreement and a promise of commitment to help your child succeed in learning. We believe this agreement can be fulfilled by working together. This document will be reviewed and revised annually.

The Campus Advisory Team which includes Title 1 parents, teachers, and community members are utilized in an advisory capacity as this compact was developed. The diversity of our campus population was represented.
