MEMORANDUM

TO: All Principals

FROM: Donna Pittenger, Executive Director of Nutrition and Food Service
Ted Vierling, Chief Operations Officer

DATE: May 4, 2023

SUBJECT: **SUMMER MEALS**

The United States Department of Agriculture requires that each campus notify families about the meals served each summer through the Summer Food Service Program even if the campus does not serve summer meals. The Texas Department of Agriculture provides resources to post and share with families. Soon these materials will be delivered to your front office. You will receive posters and parent information cards. Each school is expected to display the posters immediately upon receipt. Each student should receive an information card to take home. Secondary campuses that do not have the ability to send a card to each household may want to make them accessible to parents in the front office and nurse's office or other public areas. Share the TDA website link below on your school eNews as well.
